BRIEF ABSTRACT OF LETTER.

States that Govt order of 28th November 1917 is not clear as to whether the term "rent on mining lands" used in paragraph 8 thereof includes also the assessment on unoccupied assessed lands within the mining area & that the assessment is leviable in addition to mining rent under the lease; and it is not clear whether such assessment is to be included in the accounts of the Revenue Dept or left out of them whether the Geological Dept would collect the assessment due in such cases. Requests that specific instructions in the matter may be laid down for the guidance of the Revenue Dept.

NOTES AND ORDERS.

K.R. Srinivasa Iyengar Esq., M.A., *Genl*
Offg. Revenue Commissioner in Mysore. 7-17

To

Chief
The Secretary to the Government of
His Highness the Maharaja of Mysore,
~~Department~~

SIR

N With reference to paragraphs 7 and 8 of Government Proceedings No. Fl. 2664-8/Geo. 35-17-3 dated 28th November 1917 directing that all items of rents, taxes and cesses derived from mining lands should in future be collected by the Geological Department, that no item of rent on such lands should in future be merged under Land Revenue and that the local cesses and other rates and taxes should be credited to the Geological Department in the first instance and adjusted to the proper head of account by the Comptroller once a year, I have the honor to state as follows :-

2. The Government Order is not clear as to whether the term 'rent on mining lands' used in paragraph 8 of the Government Order includes also the assessment on unoccupied assessed lands within the mining area. This is leviable in addition to mining rent under the lease and it is not clear whether such assessment is to be included in the accounts of the Revenue Department or left out of them.

3. The surface rights of an occupant (other than the mining lessee) in respect of land in his occupation are not affected by the inclusion of the land in a mining lease and his liability to the regular payment of the assessment on such lands continues undiminished. It is now a matter for doubt whether the Geological Department would, under the system now sanctioned, collect

the

5

the assessment due in such cases.

4. I beg that Government may be pleased to lay down specific instructions on these points for the guidance of the Revenue Department.

I have the honor to be,

Sir,

Your most obedient servant,

Offg. Revenue Commissioner

H.V.
